

The girl scouts have started meeting in the basement on Monday nights. It nice to see groups coming back into the library.

We have received a \$230.00 check from the NAMI, (National Alliance on Mental Illness), family support group. The grant allowed us to create two kits. One kit will have books and activities about worry, and the other kit will have books and activity material about feelings. NAMI is a confidential support group for love ones or individuals living with mental illness.

Thank you for your support and help making the library a clean, friendly place to visit and use.

Respectfully submitted,
